

National Education Association Presidential Recommendation Procedure

Primary Election

-  NEA requests questionnaires from all announced and potential candidates regardless of party affiliation.
-  NEA President interviews all candidates who returned completed questionnaires. The interviews are recorded and shared with members.
-  NEA President presents a possible candidate recommendation to the NEA PAC Council to recommend by majority vote.
-  PAC Council then submits the recommendation to the Board of Directors for a 58% majority vote approve.
-  Candidate is now recommended by the National Education Association. The primary recommendation is now public.

General Election

-  NEA requests questionnaires from all announced and potential candidates regardless of party affiliation.
-  NEA President interviews all candidates who returned completed questionnaires. The interviews are recorded and shared with members.
-  NEA President presents a possible candidate recommendation to the NEA PAC Council to recommend by majority vote.
-  PAC Council then submits the recommendation to the delegates at the Representative Assembly for a 58% majority vote to recommend.
-  Candidate is now recommended by the National Education Association for the General Election.
